From Mr Salem Azzam, Secretary General

Message

India has occupied Kashmir for over four decades in full defiance of the resolutions passed by the UN Security Council in 1948 and 1949 calling for self-determination for the people of Kashmir through a free and fair plebiscite to settle its future status.

We urge you to put the full weight of the UN behind a further call for self-determination in line with the UN resolutions and to condemn the Indian occupying forces for their wanton killing of innocent Kashmiri citizens who are only protesting against continuing occupation and colonialisation.
